

Dick O'Brien Leisure League Round 4:

Liam Horner Memorial

Sunday 9th April 2017.

We gathered in Clonee for the 10.00AM start. Before setting off we remembered our dear friend and former touring director Gay Farnan.

The temperature was a pleasant 11 Degrees.

The group of 13 set off together through Dunboyne and Summerhill. A pace was maintained with which everyone felt comfortable. From Summerhill, we headed towards Trim but turned onto smaller roads which took us across the Trim Road, through Kilmessan and onto the climb up The Hill of Tara. Here we stopped for a well-earned coffee.

Unfortunately, it was cloudy here which meant that we didn't get to take in the view from the hill top. It was then down the hill and over by Skryne Castle and onto the straight fast road to Ratoath, where the pace picked up right to the finish. The total distance was 77K and all who participated enjoyed the spin.
